EDUCATION

Excel Engineering College, Nammakkal

2020 – 2024

B.Tech – Artificial Intelligence and Data Science Engineering - **CGPA - 8.6**

Erode, Tamil Nadu

Experience

Q spider (Software Training)

New Delhi, India

Full stack java developer

Feb 2024 – Aug 2024

- Proficient in **HTML, CSS, JavaScript, React.js**, for developing, responsive, and interactive web applications.
- Experienced in working with **SQL** (relational databases) and **MongoDB** for efficient data management.
- Skilled in Core Java, JDBC, Servlets, and Node.js for developing scalable and secure server-side applications
- Skilled in full-stack development through Q Spiders training, with both frontend and backend technologies.

Durga Tech (Intern)

Erode, Tamil Nadu

Front End Web Development Intern

Oct 2023 – Dec 2023

- Led projects using HTML, SCSS, JavaScript, Bootstrap, and Tailwind for dynamic, responsive interfaces.
- Utilized React.js to design efficient client-side apps, optimizing performance and enhancing user experiences.
- Built reusable React.js components to simplify development and maintain consistency across the app.
- Participated in team projects, learning the importance of collaboration in agile development environments.

PROJECTS

E Commerce Application / [React js](#)

2024

- **Built a full-featured e-commerce application** using React.js, including functionalities such as product listings, user authentication, a shopping cart, Register and a login page.
- **Utilized React.js components** and state management to create a dynamic and responsive user interface.
- **Implemented routing** with React Router to ensure smooth navigation between different pages.
- **Hosted the application on Vercel** for optimized performance and reliable deployment. [\[View Project\]](#)

QR Code / [React js, hooks, tailwind, styled-components](#)

2024

- **Project Overview:** Crafted a user-friendly React.js application enabling users to effortlessly generate and customize QR codes from various inputs, including URLs and text.
- Utilized **React.js** to create a dynamic and responsive interface for an optimal user experience.
- **Responsive Design:** Ensure the application is fully functional across various devices and screen sizes.
- **Deployment:** Successfully hosted the application on **Vercel** [\[View Project\]](#)

TECHNICAL SKILLS

Languages: JavaScript, Core Java

Technologies: HTML5, CSS3, JDBC

Databases: SQL, MongoDB

Frameworks: React, NodeJS, Bootstrap, tailwind

Developer Tools: VS Code, IntelliJ, Canva, Git, GitHub

ACHIEVEMENTS

- I WON 3rd PLACE at Sri Ramakrishna Engineering College Coimbatore, **HACKATHON**.
- I WON 1st PLACE at Knowledge Institute of Technology Salem, **PAPER PERSENTATION**

CERTIFICATIONS

- Full Stack Java Developer From Q spider . [\[View Certificate\]](#)
